

ODISHA: THE LAND OF LORD JAGANNATH

Geographically Odisha (Orissa) stands as a coastal corridor between the northern and southern India. Therefore an assimilation of the races and cultures of the Aryans and the Dravidians; have taken place here in the days of gore.

Lord Jagannath, the lord of the universe, is at the centre stage of Odiyan tradition and culture. Shri Shri Jagannath Mahaprabhu lord of the Universe is the supreme solace and saviour of countless devotees around the world. since time immemorial, His monumental and magnificent Shrine at Shri Purusottam-Kshetra (Puri, 65kms) one of the four major Hindu Dhamas of India has been a most sacred centre of pilgrimage and worship symbolising and uploading one of the greatest spiritual and cultural heritages of the world.

Utkal as the ancient name of Odisha represents the excellence in art and architectural grandeur in most of its monuments, Handicrafts and performing art. Odissi dance is the typical classical dance form of Odisha and has its origin in the temples.

Tourism in Odisha is a veritable museum of India's sculptural and artistic heritage and has long been famous to scholars and connoisseurs for the magnificent Sun Temple at Konark (The legendary 'Black Pagoda' of European mariners, 70 kms.), for the majestic temple of Lord Jagannath at Puri (renowned for the spectacular Rath Yatra chariot festival), and for the glorious temples of Bhubaneswar. A true delight for the nature lovers, the state of Odisha offers adventurous Wildlife tours.

Nandankanan National Park is very close (5 Km) to the Conference Venue. Queen of natural beauty, Chilika (100 kms), the largest brackish water lake in Asia covering an area of over 1,100 sq. km is a great attraction for the tourists for fishing, bird watching and boating. In winter Chilika aflutter with thousands of indigenous and migratory birds of many varieties from far and near - even from the distant Siberia.

Bhubaneswar, the capital of Orissa, is also popularly known as the "Temple City of India". Being the seat of Tribhubaneswar or 'Lord Lingaraj', Bhubaneswar (8 Km) is an important Hindu pilgrimage centre. The twin Khandagiri and Udaygiri (10 kms) contain varieties of rock-cut caves, built mainly for the jain monks around 1st - 2nd century B.C. The thirteen years lithic record of King Kharavela engraved in Hatigumpha (elephant cave) is a magnificent specimen of Pali records so far found in India. It was here at Dhauli (17 kms) by the side of Daya River that emperor Ashok laid down the weapons of violence and accepted a life of Ahimsa in the form of Buddhism after the Kalinga war. This stupa as selected by Fujii guruji is a symbol of peace for the future generation to come.

INDIAN COMMERCE ASSOCIATION (ICA)

The Indian Commerce Association, one of the premier professional associations of India was founded in 1947. It was formed as an apex body comprising experts from Commerce, Management, Economics, Technology and Business community, with the objectives such as;

1. Strengthening Commerce & Management education
2. Promoting research in the field of Business education
3. Organising periodic conferences, seminars and workshops
4. Undertaking publication of journals and books
5. Providing consultancy services
6. To act as a think tank to offer suggestions to policy makers at the national level to formulate and implement measures that would add to the economic growth of the country.

ICA like its counterparts in industry viz; CII, ASSOCHAM and FICCI, takes active interest in data base and discussion on the issues of national importance. Annual conference held at the national level is an event to be watched. Till now 71 conferences have been organised at different parts of the country. ICA has been publishing an Indian Journal of Commerce, a high esteem journal in all circles.

KIIT DEEMED TO BE UNIVERSITY

Kalinga Institute of Industrial Technology (KIIT) Deemed to be University, Bhubaneswar is among India's most sought-after universities, attracting students from all over India and more than 50 countries to pursue professional and technical education. Located in the temple city of Bhubaneswar, it has built its reputation as the most student-friendly university, anchored on the principles of Compassion and Humanity. It was founded in 1992-93 as a vocational training centre with a seed capital of only Rs. 5000 by eminent educationist and social activist Prof. Achyuta Samanta. Since then KIIT has grown exponentially, setting a high benchmark in each area of education. With a diverse student body of 30,000 representing all States of India and 50 foreign countries, it is on its way to becoming an international hub for quality professional and technical education. The Ministry of Human Resource Development, Govt. of India has recently declared KIIT Deemed to be University an 'Institution of Eminence' (IoE). KIIT has joined the select league of 10 public and 10 private universities which would be developed as world-class institutions under 'IoE' scheme of the Govt. of India to put the country on the global education map. It is the only self financing university in the Eastern India to be ranked by the Times Higher Education World University Rankings 2019 and QS BRICS World University Rankings. The university has been ranked 2nd among all self-financing institutions of the country in Atal Ranking of Institutions on Innovation Achievements (ARIIA) of MHRD, Govt. of India. KIIT serves more than 30,000 students through its 22 Schools imparting globally recognised bachelor's, master's and doctoral degree programmes in 100 plus disciplines, spanning engineering, medicine, management, biotechnology, law and more.
